MEMORANDUM FOR THE RECORD

Morning Meeting of 9 January 1969

25X1

Godfrey drew attention to a telegram from Ambassador Sullivan, who claims that the enemy truck count in Laos has now virtually reached the level which existed in the pre-Tet offensive period. Devlin will be sending in a situation report on this matter today.

25X1

D/ONE reported that the Iran Estimate is out for telephonic concurrence today.

D/ONE advised that a draft of the pacification Estimate has been completed by the Board and is being circulated today. He asked whether Walt Rostow should receive a copy of the draft before USIB meets on the Estimate, and the Director concurred in the DDCI's suggestion that Rostow be sent a copy after the representatives meeting.

25X1

DD/S reported that Pan American inquired whether Air America would be interested in a six-month charter contract with Afghan Airlines. The offer was turned down when it was discovered that one of the routes included in the package would be Kabul-Moscow.

Carver advised that the briefing session with William Rogers and Elliot Richardson went well.

25X1 Carver noted that [] spent a productive active-duty tour with CINCPAC and that CINCPAC was sufficiently enthusiastic to request that in the future other CIA officers also spend their active-duty tours with CINCPAC.

25X1 [] advised that he had an amenable discussion with Senator Mundt yesterday and that the Senator appreciated our evaluation of a proposal made by one of his constituents.

25X1 []

DD/S&T reported that he and [] had a most productive two-hour meeting yesterday with Dr. DuBridge, who is interested in follow-up briefings in greater detail on various matters upon his arrival in Washington.

25X1

DD/S&T noted that the new, simplified clearance/secretcy agreement process is a great improvement over previous procedures.
